Reason For Acreage Request: _____

Size change from: _____ to: _____ Fee Paid: _____

Receipt #: _____ Check #: _____

- Fee:
1. Site increase up to .99 acre: no charge for additional acreage but a \$70 late fee is DUE.
 2. If original permit was under one acre with a cost of \$75: subtract the original \$75 fee from the new fee. Example: New site now 4.5 ac was 0.5 ac. Calculate: $((\$36 \text{ per ac} \times 4.5 \text{ ac}) + (\$110 \text{ admin fee}) + (\$70 \text{ late fee})) = \$342 - \$75 = \267 fee DUE.
 3. If original permit was over one acre: additional fees **for the new acreage** are calculated at \$36 per acre plus a \$70 late fee.

SPECIAL INSTRUCTIONS

Site size changes will keep the original issue date, expires from first date.

Sites that increase to Five acres or above will require project information sign and modifications to the originally submitted dust control plan.

New site plan is required.
